# The Cast of Monster Girls!

## CHITOSEYA NAGI

A cosplay fortune-teller in Akihabara and Momo's older sister. An expert on the yokai situation in Akihabara, she sees real potential in Yatsuki, and has requested his help in managing yokai.

**SHIJOUIN DOLCE AND GAPPANYA**  
A stuffed animal who freeloads at Yatsuki's grampa's place, and does nothing but picks fights with Rokka. Is actually a hinnagami.

**KAKINOKI MITSUO**  
A handsome middle-aged man who serves as Nagi's loyal retainer. Is actually a yokai: a kakiotoko.

## HOUJOU SAKURAKO

Is in the same line of work as Yatsuki. Came to scout him for GCUP, the organization she works for. Bothered by the fact that she has B-cups, not G-cups.

## SUZUNARI NIA

Rokka's classmate. Sharp, athletic and incredibly cool and beautiful, she's actually a yokai: a nekomata.

**MAKABE ICHIE**  
Also known as Ichchan. Rokka's friend, she's also ended up freeloadng at Yatsuki's grampa's place. She's actually a yokai: a nurikabe.

## ITOSHIGE KIRUE

Pretty girl-gamer based in Akiba. Is actually a yokai: a jorogumo.

## The Story So Far:

Nishizuru Yatsuki is a 20-year-old virgin working part-time at a general store in Akihabara. For some reason, he's always been able to see spirits. One day, he meets a pretty girl named Rokka. She's super-cute, and happenstance brings them very close very fast... or it would have, but Rokka turns out to be a yokai--a rokurokubi!

Since then, a ton of yokai-related incidents have occurred in Yatsuki's life! Yatsuki has agreed to doing "yokai management" under Nagi's tutelage, in order to save his little sister, Nanao, who is currently unable to return to her body and has been stuck as a spirit.

Nia the nekomata being welcomed into the Nishizuru household has inspired Yatsuki to work even harder, but when he finds out all the yokai he's dealt with go back to doing the same old tricks, he starts having second thoughts. That's when Sakurako from GCUP (the Laboratory of Global Contemporary Unscientific Phenomena) tells Yatsuki she wants to recruit him. Meanwhile, GCUP personnel appear before Kirue, the newly-reformed jorogumo.

## NISHIZURU YATSUKI

Works part-time in Akihabara. Can see ghosts and has gotten himself mixed up with a bunch of yokai.

## NISHIZURU NANA

Yatsuki's sister. She's been stuck as a spirit for the past six years, unable to return to her comatose body.

## AYATSUKI ROKKA

A pretty girl whom Yatsuki once helped out. She seems quite taken with him since then. She's actually a yokai: a rokurokubi.

## CHITOSEYA MOMO

A maid who works at the maid cafe Yatsuki Yatsuki frequents. Her maid alias is "Moru." Prone by nature to being possessed by spirits and yokai.

According to folklore, the soul leaves the body during dreams. If the pillow is turned over while the person is sleeping, it is believed that the soul can't return to the body. Because of this, tales exist about the mischievous soul to be feared, and an old tale is told.

## MAKURABASHI

Stories of this yōrei are told across Japan. The term means "turning the pillow," or it can also be written with characters meaning "pillow-demon." The creature comes to disturb people at night and flips over their pillows, or flips the person around so their head points in a different direction. It is thought to be a mischievous yōrei that takes the form of a child, usually a young boy.

# Yokai Field Guide!

This yokai appears in stories across Japan. Its name can also be written with characters that mean "artificiality." This mischievous yokai comes to your bed at night to turn your pillow over to swap the position of your head and feet. Folk tales state that while sleeping, the soul leaves the body, so if the pillow is turned over during that time, the soul won't be able to return to its body.

Placing a dead body with its head facing north is also called "matsumagari" because of the idea that there is a change in sleep position between the world of human life and the world of death.

Matsumagari are said to look like children, but Toriyama Sekien's *Gaki Yōkai Hōkyō* featured a fighting version who steals human lives and is driving residents the 'no

The background features a series of diagonal stripes in various shades of gray, from light to dark. Overlaid on these stripes are several large, wavy, organic shapes in white and light gray, creating a layered, abstract effect. Three jagged, starburst-like outlines are scattered across the composition: one in the top right, one in the bottom left, and one in the bottom right.

## READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!
